FIRST ANNOUNCEMENT AND CALL FOR PAPERS

**2ND INTERNATIONAL CONFERENCE
ARTIFICIAL INTELLIGENCE - INNOVATION IN EDUCATION IN A
WORLD OF CONSTANT CHANGING
23-24 November 2026, Târgu Mureș, România
(hybrid conference)**

ORGANIZED BY

"Dimitrie Cantemir" University of Târgu Mureș
in partnership with:

- "Eqrem Çabej" University of Gjirokastrë, Albania
- University of Social and Medical Sciences in Warsaw, Poland
- "Ion Creangă" State Pedagogical University of Chișinău, Republic of Moldova
- South-West University "Neofit Rilski", Blagoevgrad, Bulgaria
- Çağ University, Mersin, Türkiye

WELCOME MESSAGE

Dear Colleagues, Distinguished Researchers, Academics, and Students,

On behalf of "Dimitrie Cantemir" University of Târgu Mureș and our international partners, it is our great pleasure to welcome you to the Second Edition of *International Conference, "Artificial Intelligence-Innovation in Education in a World of Constant Change."* We are honored to bring together researchers, educators, professionals, and students from diverse academic and cultural backgrounds to exchange ideas, present innovative research, and explore new perspectives on one of the most significant transformations of our time.

In a world marked by rapid transformations driven by technological progress and global interconnectedness, education faces a major challenge: adapting to the new realities of contemporary society. Artificial intelligence is no longer merely a scientific concept or a field reserved for advanced research; it has become an active presence in our everyday lives, influencing the way we work, communicate, and learn. In this context, the essential question is not whether education should integrate artificial intelligence, but how it can do so in ways that foster the development of generations prepared to thrive in an ever-changing world.

Education, as a fundamental social process, has the mission of shaping autonomous, critical, and creative individuals. The integration of artificial intelligence into education opens new perspectives for personalized learning, equitable access to knowledge, and the development of innovative pedagogical approaches. At the same time, these opportunities are accompanied by important ethical, social, and professional challenges that deserve thoughtful consideration. The theme of this conference *"Artificial Intelligence-Innovation in Education in a World of Constant Change."* invites the academic community to engage in an interdisciplinary dialogue on the relationship between technology and humanity, innovation and fundamental values, and the opportunities and limitations of artificial intelligence in education and society.

We hope that this conference will provide an inspiring platform for meaningful discussions, fruitful collaborations, and the exchange of valuable scientific experiences. We wish all participants a successful conference and an enjoyable stay in Târgu Mureș.

We warmly invite you to contribute to this international scientific event.
Submission information is provided below.

Scientific Prorector,

Assoc. Prof.Ph.D. Doina David

"Dimitrie Cantemir" University of Târgu Mureș

SUBMISSION GUIDELINES

Scientific Sections

Authors are requested to indicate the scientific section that best matches the topic of their submission.

- Dental medicine
- Economic Sciences
- Educational Sciences
- Geography
- Law
- Project Quality Management
- Psychology

Important Dates

Abstract submission Deadline	October, 23 th , 2026
Full paper submission Deadline (6-10 pages)	December, 1 st , 2026
Conference dates	November, 23-24, 2026

Submission

Authors are invited to submit their abstracts in English using the official **Abstract Template** provided in this document.

Each submission should indicate the appropriate **Scientific Section**.

Submit the full paper using the official **Full Paper Template**.

All submissions must be written in **English** and should be sent to:

research@cantemir.ro

APPENDIX A: ABSTRACT TEMPLATE

Title of the Paper

(Times New Roman, 16 pt, Bold, Centered)

First Author¹, Second Author², Third Author³

(Times New Roman, 12 pt, Centered)

¹ *Affiliation, Institution, City, Country*

² *Affiliation, Institution, City, Country*

Corresponding Author: e-mail@institution.edu

Scientific Section: _____

*The abstract should clearly present the purpose of the study, the research context, the methodology (where applicable), the main findings, and the principal conclusions. The abstract should not exceed **300 words** and should not contain references, tables, or figures.*

Keywords: 3–6 keywords (10 points, left, *Italic*)

Formatting Requirements

- ✓ Language: **English**
- ✓ Maximum length: **300 words**
- ✓ Font: **Times New Roman, 12 pt**
- ✓ Line spacing: **1.15**
- ✓ Alignment: **Justified**
- ✓ Margins: **2.5 cm** on all sides

APPENDIX B: FULL PAPER TEMPLATE

Paper Title

[Times New Roman 16-point, bold, left alignment, capitalize the first letter]

FAMILY-NAME Name¹, FAMILY-NAME Name²

[Times New Roman 13 point, bold]

¹ *Author Affiliation (COUNTRY) [9-point, italic]*

² *Author Affiliation (COUNTRY) [9-point, italic]*

Corresponding author Email: [9-point, italic, separated by comas]

Scientific Section: _____

Abstract [Times New Roman, 12-point, bold, left alignment]

This template will assist you in formatting your paper. The various components of your paper (title, abstract, keywords, sections, text, etc.) are already defined on the style sheet, as illustrated by the portions given in this document.

Keywords: *Innovation, technology, research projects, etc. [Times New Roman italic 9-point].*

Section [Times New Roman, 12-point, bold, left alignment]

There is a limitation of 6-10 pages. All pages should be A4.
The top, bottom, right, and left **margins should be 2.5** cm. All the text must be in one column and Times New Roman font, including figures and tables, with single-spaced 10-point interline spacing.

Subsection [Times New Roman, 12 bold italics, left alignment, capitalize the first letter]

The text included in the sections or subsections must begin one line after the section or subsection title. Do not use hard tabs and limit the use of hard returns to one return at the end of a paragraph. Please, do not number manually the sections and subsections; the template will do it automatically.

Sub-subsection: Guidelines for Abbreviations and Acronyms

Define abbreviations and acronyms the first time they are used in the text, even after they have been defined in the abstract. Do not use abbreviations in the title or heads unless they are unavoidable.

Sub-subsection: Guidelines for Figures and Tables

Tables, figures, and graphics should be centred, numbered and accompanied by a legend. Figure captions should be below figures; table heads should appear above tables. Insert figures and tables after they are cited in the text. Use the abbreviation “Fig. 1.”, even at the beginning of a sentence.

Sub-subsection: Guidelines for Page numbers and Footnotes

Please, do not add any kind of pagination anywhere in the paper. Avoid using headers and use footnotes only within the page margins (**2,5 cm of white margins**).

Sub-subsection: Guidelines for References

The list of the references should be given at the end of the paper. References are numbered in brackets by order of appearance in the document (e.g., [1] , [2], [3]). The same reference can be cited more than once in the text with the same reference number.

Use as many sections and subsections as you need (e.g. Introduction, Methodology, Results, Conclusions, etc.) and end the paper with the list of references.

REFERENCES [Times New Roman, 12 point, bold, capital letters]
